

THE LEXICON SCHOOL, HADAPSAR

ANNUAL REPORT  
2019-20

*Reach high, for stars lie  
hidden in your soul.  
Dream deep, for every  
dream leads the goal.*

The Lexicon School Hadapsar is proud to share the news that we are now **AFFILIATED UP TO CLASS XII** by the CBSE. It gives us immense joy to expand our horizon to the secondary level by offering variety of subjects in the fields of Science and commerce.

“Dreams are not what you see in your sleep they are those that don’t let you sleep.” Dr. APJ Abdul Kalam

This year the class X students made our dreams come true all the hard work, training and mentoring by the Lexicon management and teachers has paid off. We secured 100% results and 7 of our students scored above 90%.

### **LIST OF ACHIEVEMENTS AND ACCOLADES THAT WE HAVE RECEIVED THIS YEAR**

Under the able guidance of the management The Lexicon Group of Schools has won The Times Education Icons 2017 Award for The Best National Curriculum in the East Zone and for having the Best CSR activities.

Ayush Singh and Atharva M did us proud by winning The Judges Critics Award for the best Maths Kit at The BK Birla Tec Convention.

## **CO-CURRICULAR ACHIEVEMENTS**

Lexicon believes in holistic education and Co- Scholastic activities form an integral part of the curriculum with a lot of emphasis given to development of students.

Last year we saw our students make it to the Scribdo talks 2018-19 city challenge - A programme meant to build the young journalists of India.

Mansi Shinde won The Critics' Choice Award on the topic "Turn of the lights and brighten your future".

In the Classmate Handwriting Competition 4 of our students Anaya Gupta, Akshara Goswami, Mrunal Korde and Gayatri Nalawade won gift hampers for their meticulous handwriting.

The students of The Lexicon School Hadapsar, walked the ramp for the Pune Times Kids Fashion Week, Sponsored by The Lexicon School.

Can our teachers be far behind in the winnings?

Ms. Snehal Waghule, the PE teacher represented Pune and won the State Handball Championship

We had conducted Master Chefs of Lexicon Competition for the teachers and Mrs. Ayojita Munnalal and Mrs. Minakshi Kshrsagar made it to the inter school round at IIHM Pune.

We are proud to announce that Mrs. Minakshi Kshrsagar completed the city finals.

## **SPORTS STARS**

Our students perform well not only in academics but also in sports as our school believes in holistic development and always focus on all-round development of the students.

The year 2019-20 has brought us great glory.

12 of our student's represented Maharashtra in the Sub Jr. Rocball Nationals at Ropar in Punjab. The boy's team stood fourth and were greatly commended for their performance.

3 of our students Visvesh K, Aaditya Patil and Ayush Singh have been selected to represent India in the Asian Roc ball Championship in Nepal.

31 of our students participated in the State Rocball Championship at Sangali- the U-14 boys bagged the first position.

The U-17 boys stood second and U-17 girls stood third

In the ZP Sports events The U17 Girls Volleyball team made it to the quarterfinals and Purva Patil has been selected to represent Pune Division.

Our little Lexiconites Pranav Dombé, Mohammed Shakir, Shlok Pawar and Rushikesh Limaye made us proud by winning laurels in the Lakshyathon marathon in the U-6 category

11 of our students did us proud by winning medals in various categories in the Maharashtra State Skatethelon & Waveboard Championship.

In the Viva Interschool Skating Competition - 8 of our students won medals in different categories.

In the 4<sup>th</sup> Open National Taekwondo Championship the brother sister duo of Shreya and Shreshtha Bhatnagar did us proud by winning medals.

Shlok Jagdale of class V won 'Gold Medal' at 4<sup>th</sup> State Rural Games Karate Championship.

At Pune District Championship, Namita Jagtap of class X secured 2<sup>nd</sup> position in 110m hurdles.

Harsh Dethé of class VI represented Maharashtra in the 2<sup>nd</sup> National Skate-Kho Competition 2019 at Goa this year and the team stood second.

A Champion in our midst is Adhvika Jadhav of Class II. She has won the gold medal at the District, State and National Kudo Championship and Mayor Cup. She recently won a bronze in the 3.5km Pune Marathon. Congratulations

All our children's awards and achievements have been possible only because of the untiring efforts, dedication and devotion of our dear parents and the support of our competent and capable teaching staff.

## **EVENTS**

Students of our school took active participation in Swachh Bharat Abhiyan and went on rally to the places around the school to sensitize the people about the same.

Plantation Drive to teach the children the importance of saving the environment was well conducted by the school.

As part of the Swachhta Pakhwada by CBSE, various activities were conducted in our school. The main purpose of this programme was to create awareness among the students regarding cleanliness and its benefits. All the students from Nursery to class 10<sup>th</sup> actively participated in this programme. Teachers too played a pivotal role in this drive.

Activities like - Letter writing, poster making on cleanliness were conducted wherein the students realized the importance of cleanliness and sanitation.

A Cleanliness rally was also organized, Class VI students visited the SP Infocity and silently displayed the slogans, made by the students for the rally to create an awareness among the people.

Nukad Natak to encourage citizens to preserve our planet earth was also performed by our students.

Fitness Week was celebrated in the third week of November, the students participated enthusiastically in the event.

On the occasion of Sports Day on August 29 this year, the Prime Minister of the country, Narendra Modi, had launched the "Fit India Movement" that aimed to encourage the youngsters and students to include sports and physical activity in their daily routine.

Taking the mission forward school had organized different activities like Dance (Class I & II), Aerobics (Class III & IV), Yoga (Class V & VI), Martial Arts (Class VII), Rope-Skipping (Class VIII), Gardening (Class IX), Essay/Poem Writing Competition on "Fit India School" (Class X). Eat healthy to be fit.

In the efforts to have Joyful learning, school conducts Fireless Cooking Activities.

Making Art Integration an important element in the school teaching and learning.

CBSE has decided to integrate Art with the teaching & learning process of all academic subjects from classes 1 to 12. Art is the creative expression of an individual. It becomes the primary pathway to learn the subject/topic and also a way of assessment. The integration is meant not only to make the learning process joyful, but also to develop greater appreciation and understanding of the art form being utilized for this purpose.

### **IMPORTANT DEVELOPMENTS IN SCHOOL**

To cater to the growing demands of the School, the school now has 3 science labs established viz a viz the composite lab we had earlier.

We now have 3 ICT labs to cater to the ever-growing demands of technology.

The school has an all-round surveillance of all the important locations of the School Premises with 53 CCTV cameras operational 24x7.

The Safety & Security Committee at school which comprises of staff that take regular rounds of the campus during the working hours of the school and even after the children leave

Authority cards are mandatory for every parent to carry, while visiting the school premises for any reason.

### **SEWA**

The aim of education is not the knowledge of facts but of values. After receiving so much in life, it is very necessary to give back to society and SEWA is the best way to do so.

During the Palkhi 2019, the students of all classes collected chikki packets and distributed it among the warkaris.

The students of class VII - X collected potatoes and onions and donated the same to an orphanage and old age home.

Students of the junior classes collected food grains to share with the under privileged children.

### **STAFF TRAINING AND WORKSHOPS**

“Live as if there was no tomorrow. Learn as if you were to live forever.” – Mahatma Gandhi

The CBSE has created a HUB of learning involving various CBSE schools, to encourage and exchange of best practices among schools. The principal’s workshop for the same was attended by the Principal of the school, Dr Annapurana Lilly Bipinraj on the 1<sup>st</sup> of July 2019.

Our teachers attended CBSE Capacity Building Workshop on Science, Maths and Social Science in the month of May.

Our ICT teachers attended the CBSE Capacity Building programme on Artificial Intelligence.

Additionally, a teachers Induction workshop was conducted to acquaint the new staff with the rules and regulations of the School & introduce them to the existing staff.

**The Lexicon Schools - Hub of Learning** -Our teachers also attended workshop on English at Kalyaninagar Campus. Similar workshops were attended on **Science and Maths**.

Our Deputy Director Mrs. Anju Luthra conducted a workshop on CBSE assessment pattern for Principal's and Academic Supervisors

Teachers attended the ERP workshop to update their technological knowledge.

Workshop for teachers on Identifying Psychological Concerns in Students was conducted to identify and cater to their needs.

Similar workshops on Happy Classrooms and Anger management for teachers were also conducted in the school.

To make sure that the staff is trained to respond to concerns and to keep them up to date with the policies and practices a session on 'Safety and Security of the Students' was arranged for all School Staff. This was done according to the mandate of the CBSE to have regular Safety and Security workshops for the staff of all institutions dealing with children. The members of staff were briefed on the child related Legislative Acts: The Juvenile Justice Act and POCSO.

As this year CBSE focuses on joyful and experiential learning two of our teachers attended workshop on 'Out Door Learning' conducted by Trail Blazers.

Few of our teachers attended workshop on 'Kids For Tigers', organized by The Kalyani School

KIPS workshop on Artificial Intelligence & Robotics, were attended by the IT teachers.

Workshop on Innovations in education conference at Trinity International School, was also attended by our teachers.

## **WORKSHOPS FOR STUDENTS**

Cyber Security workshop -To teach students the pros and cons of the usage of internet and cyber safety, a workshop on cyber security and safety was conducted in the school for the students of grade VII -IX by a cyber security team from WNS

Global Services. It was taken up as a part of their 'Think Talk Teach' initiative on cyber security for children.

Eye Camp - The school was able to successfully administer the eye checkup camp for students at our school and many students were given spectacles by HV DESAI HOSPITAL

Self Defense Workshop was conducted by Maharashtra Military Training Centre.

CUBSAT Workshop - to ignite the minds of budding scientists amongst us.

Workshop on Dental Hygiene by Dr. Deepali Bajpai Fallero of The Dental Twig

Mock Fire Drill was conducted to enable the students to understand Quick Evacuation Procedures.

The school counsellors also conducted workshops for the students of all classes on various topics like- Safety and Security, Anger Management, Soft Skills, Stress Management, Good touch Bad touch and Puberty.

Workshops and sessions were conducted for class 10 students for motivating them and preparing them for the board examination on topics like- Diet during examination, Importance of Exercise, Exam writing tips, Stress Management, Time management and motivation. Various talks on Career guidance was also given to help students choose the right path for their future.

Special & Innovative Assemblies- With the objective of all-round development and inculcating positive and reflective ethos into the young minds, who enjoy learning, strive to achieve high and walk with confidence into the world, the Special & Innovative assemblies are conducted in the school. The aim is to nurture our students in the environment which encourages every student and help develop the intrinsic qualities of planning, organising, presenting and emerge as poised leaders and team members who work and enjoy together.
