ANNUAL REPORT  
Highlights for the Academic

जीवन मे सफलता पाने का एक राज है,  
जो कुछ करना है वक्त उसका आज है,  
'आत्मविश्वास' नहीं देखता कितने तूफान  
है  
तेज बारिश और तूफानों में उड़ने वाला  
बाज है.

*Reach high, for stars lie*

*hidden in your soul.*

*Dream deep, for every*

*dream leads the goal.*

The year 2021 has been a challenging year forcing most people to adapt to new realities. We confronted it by creating and adapting to new ways of learning, working and living our lives amid stressors that we have never experienced before.

With all the uncertainties present in the outside world, we found that our real joy lay in looking at our students adapting their ways and getting accustomed to new ways of learning.

Our Teachers, being the strongest pillars of our education system, quickly modified their teaching methodologies and continued the core of modern day technology to start the academic year with their new virtual classrooms.

The positive changes at the Lexicon Schools are the result of the determined effort of the visionaries of Lexicon team. Under the leadership and guidance of our Chairman, Mr. SD Sharma, our President, Mr. Pankaj Sharma, our Vice- Chairman, Mr. Neeraj Sharma, our Director, Dr. Monisha Sharma, our Additional director, Mrs. Sunita Sharma and our Deputy Director, Mrs. Anju Luthra, we have gained altitudes of success and will continue to work hard to achieve greater statures.

I quote Abdul Kalam

“Dreams are not what you see in your sleep they are those that don't let you sleep.”

This year the class X students made our dreams come true all the hard work, training and mentoring by the lexicon management and teachers has paid off. We are proud to announce 100% results for the fourth consecutive year.

32 students scored more than 90%.

Class XII students also got laurels for the school with good results with 3 of our students securing more than 90%.

### **EVENTS AND CELEBRATIONS**

The year has been one of its kind, where the students were not physically present to celebrate the events in the school, but no stone was unturned when it came to virtual celebrations.

The students had a perfect start to a day of learning with the theme based morning assemblies and joyful learning activities.

Innovative assemblies like Banking day, ICT Assembly, 7 Habits assembly, Celebrating Special days like- International Tiger Day, World day of social justice, Safer Internet Day, Read aloud day, National Farmer's Day, National Mathematics day.

Plantation Drive for Values Day.

All the festivals were also celebrated with equal enthusiasm and zeal. Students celebrated festivals like Christmas, Diwali, Rakshabandan, Janamashtami, Gurupurab and conducted special assemblies showcasing their creativity and talents.

Making Art Integration an important element in the school teaching and learning. CBSE has decided to integrate Art with the teaching & learning process of all academic subjects from classes 1 to 12. Art is the creative expression of an individual. It becomes the primary pathway to learn the subject/topic and also a way of assessment. The integration is meant not only to make the learning process joyful, but also to develop greater appreciation and understanding of the art form

being utilized for this purpose.

## **STAFF TRAINING AND WORKSHOPS**

“Live as if there was no tomorrow. Learn as if you were to live forever.” – Mahatma Gandhi

We encourage our teachers to equip themselves with latest techniques and methods to replace an empty mind with an open one and to awaken joy in creative expression and knowledge.

This year, our teachers have utilized their time in attending various webinars to equipped themselves and upskilled their knowledge

**The teachers attended the webinar on the importance of ‘Impactful Speaking’ to enhance their communication skills.**

**Webinar: Creating a Trauma Sensitive Teaching and Learning Environment**  
**No stone left unturned by teachers to continuously upgrade their knowledge in this hour of crisis.**

**Teachers attended the webinar on the ‘National Education Policy’ on the 5<sup>th</sup> of April, 2021 to better understand the various aspects of the same.**

**Our teachers underwent CBSE - NCERT Trainings in different spheres for Professional Development.**

**A webinar tribute to Indian democracy!**

## **C2B’S & RESEARCH AND DEVELOPMENT**

To successfully implement Experiential Learning in the school, C2B and R&D are the most important and sort after events of the school for all classes.

Catterpillars to Butterflies (C2B) is the brainchild of our Director, Dr Monisha Sharma. It is an opportunity for the students of classes I to V, to gain confidence and explore their skills and be proud of their accomplishments.

Research and Development (R&D) refers to an activity whereby researchers utilize novel ideas through latest technologies in order to facilitate the need for better environment.

As the government understood the critical role of R&D ecosystem to face the rooting challenges, so did our industrious Director of The Lexicon schools, Dr. Monisha Sharma. Ma'am has initiated an R&D programme for the students of Classes VI to XII in April 2018 with the sole objective of giving young Lexiconites the opportunity to conduct hands on research on topics from the curriculum. It combines both basic and applied research and is aimed at discovering solutions to the problems or creating new goods and enhancing knowledge.

Our students, this year had virtual R&D programmes on various topics like

**CLASS VI - MAGLAND- FUN WITH MAGNETS**

**CLASS VII - ORGANIC FARMING**

**CLASS VIII - NURTURING THE NUTRIENTS**

**CLASS IX- WIRELESS ENERGY**

**CLASS X - NEUROTRANSMITTERS & MENTAL HEALTH**

**CLASS XI SCIENCE- ARTIFICIAL INTELLIGENCE**

**CLASS XI COMMERCE - HAPPINESS QUOTIENT**

**CLASS XII SCIENCE - NANOTECHNOLOGY**

**CLASS XII COMMERCE- NUANCES OF STOCK MARKET**

These accomplishments would not have been possible without our excellent teaching faculty handpicked, chosen and developed by our own management. The success formula of The Lexicon Schools stems from our various activities that are constantly upgraded, fine-tuned and developed for the students. The tireless and compassionate support staff is always on toes to help us nurture our students.

With all the support and help from our parents the The Growing Lexicon Family owes you a big thank you.

We at Lexicon stand for honesty, equality, kindness and compassion.
